

KNIT & CROCHET

FOR KINDNESS

WEDNESDAY, JULY 19
5 TO 7PM

Join us for an evening of knitting and crocheting as we work on making newborn caps, cast toe warmers, and heart monitor holders for local hospitals. Official patterns will be available. Please bring your own yarn, needles, and hooks. Light refreshments and an evening of good company will be provided. Drop in anytime between 5 and 7pm. You can drop off completed projects at the library through August 11 and we will make sure they are donated to local hospitals.
