If your application is one of the first 20 completed, we will match your child with a READ Mentor and let you know what your 30 minute time slot is. On November 7, parents and children should plan to come to a 30 minute Meet and Greet time to meet your READ volunteer and get some information about this amazing program.

Thank you for making your child's literacy a priority!

We look forward to seeing their growth this year with reading!
